

Deloitte Seminar – “Understanding the General Data Protection Regulation (GDPR)”

On 29 October, Deloitte held the seminar Understanding the General Data Protection Regulation (GDPR) at its Tbilisi office.

This workshop was targeted at compliance officers, lawyers, cyber security specialists, company managers, and other employees dealing with personal data issues, who want to learn how to meet the requirements under the GDPR.

The seminar focused on assisting the participants in understanding how to facilitate and implement the new requirements of the GDPR in organizations. The following important topics were covered during the event:

- What changes does the GDPR bring
- Cyber Security under the GDPR
- Actions to take to prepare for the GDPR
- Deloitte Privacy Services

Representatives of leading companies of Georgia attended the event.
