

Re-Open of Tiflis Palace & Tiflis Veranda.

We are thrilled to announce reopening of the stylish, newly renovated, luxury boutique hotel - Tiflis Palace and its wonderful restaurant - Tiflis Veranda.

Situated in the very heart of the historical center of the city, amazing Tiflis Palace is offering guests from the entire world the opportunity to enjoy extremely comfortable accommodation and the highest standards of service.

We have upgraded our facilities in order to provide the highest level of comfort and the best quality services. Moreover, we thought through the smallest details and touches that would make the stay of our guests in the hotel most cozy and unforgettable.

As a specialty for the Tiflis Palace's Guests, in order to ensure their most comfortable sleep, we provide different types of pillows, from which the guests can choose according to their preference.

Each of our newly designed, 43 rooms provides a calm ambience and maximum comfort with a tasty touch of luxury and modernity.

Emphasizing our location as well as our greatest respect to the history of Tbilisi and the country, we think that the beautifully framed uniquely adorned Georgian letters, from Sulkhana-Saba Orbeliani's book, from early 18th century, are the main ornament

of our rooms that will please the taste of any guest and will keep them in touch with the rich culture and history of the country.

Besides comfortable and cozy rooms, we offer a spacious conference and banquet hall for up to 100 people that can host different business events and serve exquisite lunch and coffee breaks.

All of these make Tiflis Palace the best choice for both, business and leisure travelers.

The renewed design of the most fascinating restaurant – Tiflis Veranda, is

well on par with the captivating views from the restaurant and also underlines the rich history of Tbilisi with interesting symbolic details. Our menu is designed to meet the expectations of the guests with different food taste and the specially invited Chef from Turkey promises to amaze our guests with culinary masterpieces of local and international cuisine.

We can't wait to host our dearest guests and fill them with joy, happiness and sense of luxury comfort each minute they spend at Tiflis Palace or in Tiflis Veranda
