PACKAGES FROM
65 GEL

We offer you diverse choice of the
venues and flexible packages

“Experience Meetings” is Radisson Blu’s concept for meetings and events that harmonises the meeting essentials: breakout rooms, food and connectivity with service, satisfaction and sustainability.

Three core components mark Experience Meetings:

BRAIN FOOD
FOR MEETINGS

BRAIN FOOD: an innovative and responsible food & beverage solution developed by skilled chefs and nutritionists to help energise and keep meeting attendants alert throughout meetings. Feed your brain!

BRAIN BOX
BREAK-OUT ROOM

BRAIN BOX: a breakout room designed to elevate your efficiency and let loose your creativity. This breakout meeting room touches upon all the senses with boards you can write on, colours that spark your brain, a flexible furniture layout that gives you the space to think and amenities that help stimulate ideas. Space to think outside the box!

(((FREE WiFi)))

FREE WiFi: all Radisson Blu hotels and resorts offer free and fast WiFi for all meeting delegates. Did we mention it was free? Stay connected!

...WHAT ELSE?

CLUB CARLSONSM FOR PLANNERS is a unique rewards program exclusively for meeting and event planners. You can earn points no matter whether you’re planning large or small corporate events, or you’re a special events planner arranging dinners and weddings. Earn 3 Gold Points per EURO spent on total qualifying event purchases up to €5,000 and 5 Gold Points on purchases above \$5,000.

GO GREEN AT RADISSON BLU: We will reward Club CarlsonSM for Planners members by offsetting the emissions associated with your travel and your stay with us automatically, for each meeting booked with us. As part of our Responsible Business programme, the initiative Think Planet makes it easier than ever to meet responsibly. Respect the environment by leaving a smaller carbon footprint when you meet at Radisson Blu Hotels & Resorts!

We are also proud to inform you that the Radisson Blu Hotel was the first hotel in Georgia to be awarded with the eco-label “GREEN KEY” in 2013 (www.green-key.org).

YES I CAN! is a company-wide service philosophy and brand vision. At Radisson Blu, our commitment of providing 100% Guest Satisfaction is the heart and soul of our brand. We can assist with everything.
